The Streets Department reports the Brine application late yesterday worked very well. We had very few slick spots. Two salt trucks were dispatched overnight and salted several locations around the City. Streets estimates they used only 15 tons of salt. Thanks to all the guys and gals for staying on top of this and to our Police Department for keeping them informed of hazardous areas.

Angela Jackson in administration is the winner for the Mayor's parking spot next week. Mayor Ken Mayor nominated Angela. He said, *"I wish to nominate Angela Jackson for the Mayor's parking spot. A citizen came by to see me while I was gone. When I returned, they wanted to let me know they were impressed with her kindness, helpfulness, and effort to go above and beyond. What a great example of customer service."* Angela can begin parking in the Mayor's spot on Monday, January 16. **Surely you have seen SOMEONE going above and beyond at work.** If you have, **nominate them** at agoodjob@franklntn.gov.
